REQUEST FOR CORRECTION

Hon. Commissioner of Patents and Trademarks

Sir:

The Patent and Trademark Office interpreted the name of the assignee, as submitted on form PTOL-85 pre-issue, as "Crystal Voice Communications". The name submitted on the form was the correct name --CrystalVoice Communications--. Attached is a PTO/SB/44 form which represents this correction.

The assignee is concerned that, after correction, patent data base searches for assignee CrystalVoice Communications will find this patent. Telephone requests to the PTO so far have not provided clear information on what happens to the data base after a certificate of correction is issued. Accordingly, information on this issue would be greatly appreciated.

Respectfully Submitted,

Mark Rodgers
